## UNIQUE GYMNASTICS TEAM CONTRACT

2017-2018 Season

Joseph A. Taglisferi

## TEAM CONTRACT

Dear Parents and Gymnasts,

First, I would like to welcome all new gymnasts to our Unique Gymnastics team program and welcome back all veteran gymnasts. This Team Contract is a tool that Universal Sports and Academics, Inc. (d/b/a "Unique Sports Academy") has created to establish agreement between the parents and the gym. We also want to thank you for your patronage and for the commitment you are making to our program.

The facility is owned by my partner, Lisa Shaw and I. We will continue to offer the same great level of service to our gym family that we always have. My professional relationship with Lisa goes back over 15 years working together. Along the way we have found the perfect formulation for making a successful facility of our own, that we call home.

In addition, we have a staff of successful industry certified professionals who have been by our side; some over 15 years. As Gymnastics Director and co-owner, I have over 20 years of experience as a gym owner, coach and mentor.

Please read the following contract and sign the last page verifying that you have completed the following:

1. Read the contract and understand the contents.
2. Understand that this is a season commitment from June 2017 through May 2018.

***It is important that this contract be followed as budgets, schedules and team competitions rely on all participants remaining in good standing.***

The entire staff at Unique Sports Academy is incredibly honored that you would entrust your children into our program and allow us to shape them into remarkable athletes, capable of achieving what they never thought was possible.

Joseph A. Taglisferi, Director

## TEAM PHILOSOPHY

The two fundamental philosophies of the competitive program are “quality of performance” and “pursuit of excellence.” During workouts and competitions both themes are stressed and reinforced. These two philosophies help gymnasts develop the mental, emotional, and physical strength needed for the high standards of performance expected of them for competition.

## TEAM TEACHING PHILOSOPHY

The coaching staff understands that gymnastics is an individual sport and each gymnast will be treated as an individual. The coach will give the gymnast appropriate guidance, not only to help the gymnast to succeed in this sport, but also in life. Self-confidence, positive self-image and critical thinking will be taught to improve the quality of performance. We will respect the balance between working out and taking care of our bodies and each gymnast is encouraged to strive for quality and excellence at her own pace. In this way, we hope the gymnasts will retain the love for the sport that originally motivated them to become gymnasts.

## BENEFITS OF THE TEAM PROGRAM

- Strength
- Flexibility
- Coordination
- Cardiovascular Fitness
- Weight Control
- Time Management
- Kinesthetic Awareness
- Setting and Achieving Goals
- Managing and Controlling Stress
- Developing Physical, Mental, and Emotional Control
- Foundation for excellence in one’s confidence, leadership skills, and persistence to achieve

## DESCRIPTION OF TEAMS AND COMPETITIVE GYMNASTICS

Women’s gymnastics is comprised of four different events. Vault (V), Uneven Bars (UB), Balance Beam (BB) and Floor Exercise (FX). The sum of all the event scores makes the All-Around (AA) competition. Gymnastics is a developmental sport meaning that a beginner will learn basic positions, shapes and skills and progressively learn more difficult and complex skills.

Competition teams follow the Junior Olympic Program set by USA Gymnastics (USAG). USAG is the governing body that oversees all gymnastics competitions in the United States. Competitors must register and become members with USAG before being allowed to compete in a USAG sanctioned meet.

### **Pre-Team**

Gymnasts on Pre-Team (do not compete) will work on developing strong fundamentals of gymnastics. These fundamentals consist of body movement and positions, strength and flexibility. In the late stages of pre-team the gymnasts will be combining their knowledge of the fundamentals into a routine on each event.

## **Xcel**

The Xcel Program is alternative USA Gymnastics competitive program offering individual flexibility to coaches and gymnasts. The goal of Xcel is to provide gymnasts of varying abilities and commitment levels the opportunity for a rewarding gymnastics experience.

## **USAG Level 2 – 5 Compulsory Teams**

The compulsory routines start at Level 2 and go to Level 5. All the gymnasts perform the same routines, and as they move up through the levels the routines get progressively harder and more complex.

## **USAG Level 6 – 10 Optional Teams**

Levels 6 to level 10 are the optional levels. Routines are composed and choreographed individually for each gymnast with the guidance of the coach. Each event has certain criteria that the gymnast must meet to maximize their potential score. Again, each level has progressively harder criteria.

## **ADVANCING TO HIGHER LEVELS**

The gymnast must be physically and mentally ready to advance to the next level and have achieved a minimum all-around score of 36 at the preceding level. All advancement decisions are at the discretion of the Director. Before a gymnast may advance to the next level, all financial obligations to Universal Sports and Academics must be current.

All Team members must have a current form on file each year.

## PARENT RESPONSIBILITIES

### TUITION AND ASSESSMENT FEE GUIDELINES

**Tuition** – All Team and Pre-team parents are responsible to pay Universal Sports and Academics tuition on the **first day of each month**. If payment is not received by the 5<sup>th</sup>, a **\$35** late fee will be assessed. Any tuition payment not received on or before the 10<sup>th</sup> day of the month, will result in your child(ren) being excluded from team practice and not being allowed to participate in any Unique Gymnastics activity until all financial obligations are current. All tuition and fees are non-refundable.

For your convenience, the gym has implemented an auto-pay program. Should you elect to make the monthly payments with this method, you will receive a 5% discount on tuition. This will also prevent any late payment fees.

For a returned check there will be a **\$35** fee added to your account. Checks will no longer be accepted after a second returned check.

**CANCELLATIONS** - There are no make-ups for missed practice due to weather or other cancellations. Training schedules may fluctuate during the year. Decisions to cancel or add practices will be at the coach's discretion based on meet schedule, etc.

**ASSESSMENT** – Assessments cover meet entry fees, coaches' fees and coaches' travel expenses. See page 10 for payment options and fees. All assessments and fees are non-refundable.

### FAMILY PARTICIPATION PROGRAM

The Family Participation Program is an additional responsibility to team families. The goal is simple, ***we need volunteers!*** This program will help maintain fees at a reasonable rate as well as provide parents the opportunity to join in with the team. We know that this will be a fun and easy way to participate in the program.

Every family is asked to become actively involved in the Unique Gymnastics program. During the course of the contract year, parents are expected to assist with hosted events, participate in team demos, and fundraisers.

### HOSTED EVENTS

Unique Sports Academy will host at least one meet throughout the year. There is considerable work required to configure the gym in a fashion to meet safety requirements for the events and to present our gym in a favorable and professional manner. Therefore, each family is required to support ALL scheduled events in the following ways:

- **Event Configuration** – Support the setup and configuration of the gym to support the event. This normally takes place the night before the event with some additional duties required immediately prior to the event
- **Two Event Sessions** – This includes, but is not limited to, registration, concessions, judge support, admissions, counter, and administration.

## GYMNASTICS CONTRACT

---

- **Gym Re-Assembly** – Support the reassembly of the gym to its normal configuration. This takes place immediately after awards of the last event.

**At each hosted meet, you must participate in either Event Configuration OR Re-Assembly AND two event sessions or \$300 will be charged to your account.** There will be a sign-up sheet for each event. Please sign-up early for your preferred supporting function.

### FUNDRAISERS

Under IRS law, in order for Universal Sports and Academics to retain its 501(c)(3) non-profit, tax exempt status, Unique Gymnastics parents are not allowed to fundraise solely for their own athlete. It is important to remember that donations to Universal Sports and Academics or Unique Gymnastics cannot benefit individual athletes. This is why a member fundraises on behalf of Universal Sports and Academics and not for themselves or any particular gymnast. Participation in the club does not create a right to the distribution of fundraised earnings. Earnings will not inure to the benefit of any private individual. When an athlete or parent fundraises, the earnings belong to Universal Sports and Academics and are distributed to Unique Gymnastics members in accordance with the federal laws with respect to non-profit, charitable organizations (including Internal Revenue Code Section 501), and the NCAA.

- **Optional Fundraisers**

Optional fundraisers are available to Unique Gymnastics members who wish to participate but are not required to maintain status as a member.

- Sales Fundraisers (product sales)
- In general, 10% of profit goes to Universal Sports and Academics, 90% is split with the point system among the fundraising team.
- All fundraising distributions will be at the discretion of Universal Sports & Academics in order to maintain its exempt status.
- Fundraising funds are applied to meet assessments first, then tuition and other fees.

### PRIVATE LESSONS

Private lessons may be scheduled with your child's team coaches for an additional fee. Prices are set by the gym, not the coaches. All team members taking private lessons **must be current on all financial obligations.** Private lessons will only be held during normal operating hours. At all times the normally scheduled classes and events in the gym take priority over any private lessons.

### PARENT MEETINGS

It is strongly encouraged that the parents attend these meetings to ensure a clear understanding of gym events, processes, and news. If possible, these meetings will normally be held at multiple times for your convenience. Adequate notice will be provided through email. Please make sure we have a current email on record.

## PARENT VIEWING POLICY

Due to the increasing number of athletes in our team program, various camps and clinics, recreation program and cheer program, we are requesting closed practices for team gymnastics on the last training day of each week. Please note our training week begins on Saturday and ends on Friday. There are viewing areas in various parts of the gym that parents are welcome to use on open practice days. We appreciate your efforts to adhere to this policy.

## PARENT ETIQUETTE

- Parents are to be respectful of all other gymnasts, parents, coaches, and staff.
- Parents will refrain from making negative comments about other gymnasts, parents, coaches, and staff.
- Parents will refrain from distracting or coaching from the sidelines (at the gym or competitions).

## PRACTICE RULES FOR PARENTS

- Parents are not allowed into the practice area unless invited by a coach.
- Parents' behavior should never interfere with gym activities.
- Parents are expected to provide timely and safe transportation to and from all gym functions.
- Parents are expected to treat all other parents, gymnasts and coaches with respect.
- Parents and spectators shall not attempt to "coach" their gymnast during practice.

## COMPETITIVE BEHAVIOR FOR PARENTS AND SPECTATORS

- Parents and spectators are not allowed to enter the "field of play" competitive area. They must use only the area designated for the public.
- Parents and spectators shall not disturb the order of the meet, its competitors and its officials. Individuals causing violations will be asked to leave the competition site and may be banned from future competitions.
- Parents and spectators shall not attempt to intimidate, embarrass, or improperly influence any individual responsible for judging or administering a competition.
- Parents and spectators shall not attempt to "coach" their gymnast during the competition.

## COMMUNICATION

- If you would like to speak with the coach about a concern please call ahead of time to arrange a meeting with them before or after a practice. Talking to a coach during practice time is unfair to other gymnasts.
- Email is the most effective way to communicate between the coaches, management and gymnast families. Information like account invoices, meet schedules and other gym activities will be emailed. Please inform us immediately of any changes to your email address.

## SOCIAL MEDIA

Social media can be a useful tool to communicate with teammates, fans, friends, coaches, and more. Social media can also be dangerous if you are not careful. Every picture, link, quote, tweet, status, or post that you or your friends put online is forever part of your digital footprint. You never know when that will come back to hurt or help your reputation during the recruiting process, a new job, or other important areas of your life.

Parents and Athletes agree as follows:

- I will take responsibility for their online profile, including posts and any photos, videos or other recordings posted by others in which I/my child appear.
- I will not degrade opponents before, during or after competitions and or events.
- I will post only positive things about my/my child's teammates, coaches, opponents, and other athletes and/or coaches/staff in my gym facility.
- I will use social media to purposefully promote abilities, team, and community social values.
- I will consider "is this the me I want you to see?" before I post anything online.
- I will ignore any negative comments not retaliate. I can go to my coach or support staff to seek support or help with any issue.
- If I see a teammate post something potentially negative online, I will have a conversation with that teammate. If I do not feel comfortable doing so, I will talk to my coach.

I am aware that I represent my sport(s), gym, team, family and community at all times, and will do so in a positive manner.
