New This Season! **FAST TRACK**

WHAT IS FAST TRACK?

Fast track allows existing 2024-2025 Cheer Extreme Maryland participants the opportunity to register and not attend evaluations.

Athletes will be placed on the same training level they performed for the 2024-2025 season for June training.

This does not mean that this placement is guaranteed for the athlete. It only serves to remove the requirement for completing evaluations. June training is a continuous evaluation period.

Final placements will still be revealed at Teal Reveal.

REGISTRATION FEES STILL APPLY

NEW SKILLS TO SHOWCASE?

Returning athletes have the option to select an evaluation date/time if they choose not to Fast Track.

Showcasing new skills at evaluations is exciting and we encourage all athletes to showcase their best skills.

Please keep in mind that showcasing new skills does not always equal Leveling Up.

June training is a continuous evaluation period. Final team placements will be revealed at Teal Reveal.
